Subject: Extension Granted for S2020/12/0301

The Commission has granted the Respondent to your complaint an extension to **February 9, 2021**, to provide their response to your complaint. The Commission is considering requests for extensions on a case by case basis, but given the unprecedented disruption to many businesses and organizations, in some cases, extensions that are longer than usual are being authorized. Your patience at this time is appreciated.
