Almost another month has passed in a 60 day process and yet I continue to wait for any response. All I have had for almost 10 months is apologies for delays that continue to cause significant stress.

Please can I get some sort of indication as to why this continues to be delayed?

Thank you.

I can confirm that a memo with a recommendation to the Director is currently being drafted by an Officer and I anticipate it will be with me for review by tomorrow or Monday. Once I have completed my review, we will forward that to you.
