

RECORD OF DECISION – CMOH Order 28-2020 which amends CMOH Order 05-2020

Re: 2020 COVID-19 Response

Whereas I, Dr. Deena Hinshaw, Chief Medical Officer of Health (CMOH) have initiated an investigation into the existence of COVID-19 within the Province of Alberta.

Whereas the investigation has confirmed that COVID-19 is present in Alberta and constitutes a public health emergency as a novel or highly infectious agent that poses a significant risk to public health.

Whereas under section 29(2.1) of the *Public Health Act* (the Act), I have the authority by order to prohibit a person from attending a location for any period and subject to any conditions that I consider appropriate, where I have determined that the person engaging in that activity could transmit an infectious agent. I also have the authority to take whatever other steps that are, in my opinion, necessary in order to lessen the impact of the public health emergency.

Whereas I made Record of Decision – CMOH Order 05-2020 on March 25, 2020.

Whereas having determined that it is necessary to revise Record of Decision – CMOH Order 05-2020 so that any person entering Alberta after having travelled internationally is required to Quarantine, I hereby make the following Order which modifies Record of Decision – CMOH Order 05-2020:

Effective the day the Bill to enact the *Health Statutes Amendment Act, 2020* receives royal assent, section 3(a) of Record of Decision – CMOH Order 05-2020 is rescinded and the following is substituted in its place:

3. Subject to section 9, the following persons must be in Quarantine for a minimum 14 day period:

(a) a person entering Alberta after having travelled internationally; and

This Order remains in effect until rescinded by the Chief Medical Officer of Health.

Signed on this 3 day of July, 2020.

Deena Hinshaw, MD
Chief Medical Officer of Health
