

RECORD OF DECISION – CMOH Order 56-2021

Re: 2021 COVID-19 Response – Modification of Record of Decision CMOH Order 54-2021

Whereas I, Dr. Deena Hinshaw, Chief Medical Officer of Health (CMOH) have initiated an investigation into the existence of COVID-19 within the Province of Alberta.

Whereas the investigation has confirmed that COVID-19 is present in Alberta and constitutes a public health emergency as a novel or highly infectious agent that poses a significant risk to public health.

Whereas under section 29(2.1) of the *Public Health Act* (the Act), I have the authority by order to prohibit a person from attending a location for any period and subject to any conditions that I consider appropriate, where I have determined that the person engaging in that activity could transmit an infectious agent. I also have the authority to take whatever other steps that are, in my opinion, necessary in order to lessen the impact of the public health emergency.

Whereas I have made Record of Decision - CMOH Order 54-2021 on December 10, 2021.

Whereas I have determined that it is necessary to revise Record of Decision - CMOH Order 54-2021.

I hereby make the following Order, effective December 16, 2021:

1. Section 1.3 of Record of Decision - CMOH Order 54-2021 is deleted and substituted with the following:
 - 1.3 Record of Decision - CMOH Order 55-2021 is not in force in respect of eligible participants and patrons and attendees who are in compliance with this Order.

This Order remains in effect until rescinded by the Chief Medical Officer of Health.

Signed on this 16th day of December 2021.

Deena Hinshaw, MD
Chief Medical Officer of Health
