

RECORD OF DECISION – CMOH Order 05-2022

Re: 2022 COVID-19 Response – Rescinding Record of Decision CMOH Order 10-2020

Whereas I, Dr. Deena Hinshaw, Chief Medical Officer of Health (CMOH) have initiated an investigation into the existence of COVID-19 within the Province of Alberta.

Whereas the investigation has confirmed that COVID-19 is present in Alberta and constitutes a public health emergency as a novel or highly infectious agent that poses a significant risk to public health.

Whereas under section 29(2.1) of the *Public Health Act* (the Act), I have the authority by order to prohibit a person from attending a location for any period and subject to any conditions that I consider appropriate, where I have determined that the person engaging in that activity could transmit an infectious agent. I also have the authority to take whatever other steps that are, in my opinion, necessary in order to lessen the impact of the public health emergency.

Whereas I have determined that it is no longer necessary for Record of Decision - CMOH Order 10-2020 to remain in effect.

I hereby make the following Order:

1. Record of Decision - CMOH Order 10-2020 is rescinded effective February 15, 2022.

Signed on this 10 day of February 2022.

Deena Hinshaw, MD
Chief Medical Officer of Health
