CapitalCare McConnell Place West Residents were excited from a visit from the Kepler Academy Preschool. Together the residents and preschoolers colored pictures and put together puzzles. The residents were presented with handmade flowers and cards followed by a song selection sung by the preschoolers. The visit was filled with lots of smiles and laughter! 🧡❤️🖍️🧩🎵❤️🧡

CapitalCare McConnell Place West Resident (M.J.) is celebrating her 101st Birthday! We had a great afternoon sharing stories about this special lady along with a Birthday get together with her co-residents & her daughter. What a wonderful milestone!

West Branch patrol officers delivered flowers and treats to the Royal Alex healthcare team. Thank you for always standing shoulder to shoulder with EPS, especially during times of crisis.

Maui Pagaduan is at Royal Alexandra Hospital, Edmonton.

I love the work I get to do. My favourite days are the ones I get to be at one of our sites. Especially one that is so meaningful to our family's journey.
