

Invitation to attend an information session about the new Continuing Care Legislative Framework

The new *Continuing Care Act* (the Act) and legislative framework comes into effect on April 1, 2024, bringing important changes that may be of interest to residents of continuing care homes (formerly nursing homes, auxiliary hospitals, designated supportive living, and publicly funded hospices), supportive living accommodation residents, clients of home and community care providers, families and caregivers of Albertans who receive continuing care services, and the general public.

Alberta Health, working with Ernst & Young (EY), is inviting Albertans who receive continuing care as well as others who may be interested to attend an information session that will provide an overview of the new legislative framework. This will include a review of the new Act, regulations, changed terminology, requirements and other topics.

The session will take place online, from 6 pm to 7:15 pm on April 3rd, 2024.

[To register for this session, follow this link.](#)

Once you have registered for the session, you will receive an email with a link to add the session to your calendar. That same link will also allow you to join the session directly when it begins.

You're welcome to forward this notice to anyone who would find this information of interest.

Please see below for an FAQ about the sessions. If you have further questions on the session, please email CClegislation@gov.ab.ca.

Thank you.

Frequently Asked Questions

Who should attend these sessions?

This session will provide important information on the broad changes occurring as part of this new legislative framework and is specifically targeted towards those who receive continuing care services, their families and caregivers, and other interested Albertans.

Can I forward the meeting invite to others?

Yes, please do. The intent of this information sessions is to provide a comprehensive understanding of the new legislative framework to as many relevant audiences as possible. There is no limitation on participants.

Will the information session be in-person or virtual?

Session will be held online.

Where can I get further information after the event?

Communications materials about the new legislation will be available on Alberta Health's website after the new Act is in effect on April 2.

Who do I contact if I have questions about the new legislation?

Contact Alberta Health directly at: 780-644-8428 or toll-free at 780-310-0000 or email CCLegislation@gov.ab.ca for legislation related questions or email CCLO@gov.ab.ca or licensing, compliance and enforcement related questions.

Who do I contact if I have questions about the session or have technical issues

If you have trouble registering or logging-in to the session, email lucas.mitchell@ca.ey.com.
