I have just published the latest information on Deaths in Canada for 2019-2023 and it is getting a lot of attention. I am being asked to take interviews to discuss this and more.

I would rather be discussing this with the proper authorities as was promised, but if this government is not interested in the health and well being of Albertan's and Canadians as a whole then it is time to go public with everything. Data manipulation, emails, lab reports, witness statements, conversations and more.

I swore an oath and have always done my job. Why do you continue to refuse to do yours?

We cannot be delayed any further. People are dying in this and other provinces, and you are all willfully ignoring this.

We need an immediate meeting date to address concerns which are negatively impacting all Albertans.

Please ensure this material is provided to the addressed MLA's, Minister and Premier immediately as Time is of the Essence. As was previously mentioned, we have been provided evidence that secretaries have been deleting emails and not providing them to the intended recipients.

Premier Smith, Health Minister LaGrange, Justice Minister Amery, MLA Boitchenko and MLA Haji.

It has now been many months since we were promised an audience to present the evidence of crimes in this province. Every follow up has been ignored by all above. The Premier's office responds that our concerns have been passed to the Health Minister - and then silence. The Justice Ministers office has promised us a meeting months ago - and still we wait.

[Redacted]'s MLA, Sharif Haji, met with us and has ignored us ever since. Our MLA, Andrew Boitchenko has seen much of the evidence which he considers criminal and yet silence from him also.

In the time since, we have watched the chaos in Care Homes and Hospitals due to COVID Protocols that are themselves based on a foundational bed of lies.

In the last two weeks, this escalated to the point that without our direct intervention, our mother, [redacted] Hale, would have died.

We cannot be delayed any further. People are dying in this province, and you are all willfully ignoring this.

We need an immediate meeting date to address concerns which are negatively impacting all Albertans.

Importance: High

Good morning, [Redacted],

As part of our follow up on the masking issue, we thought you should be aware of what transpired during the last two weeks for our family in Dickinsfield. As I have still not heard back from the Health and Justice Ministers and as this is clearly an urgent matter for all residents of Care Homes, we will be forwarding this to the Premier, Health Minister and Justice Minister for their response.

Note that this is not a reflection on the staff or Capital Care but rather a reflection on the impossible protocols that continue to escalate to the detriment of residents, families and staff alike. This cannot continue and must be addressed without any further delay. It is time the Ministers and Premier stepped up to assist and not continue hinder or ignore what is happening.

Many thanks again for your efforts in this matter,

David & Karen
