Subject: THIRD REQUEST - URGENT REQUEST FOR COMMENT AND MEETING

Importance: High

Third Request.

Please can we get a response?

Where is our government? Where is our media?

I have all the AHS internal emails circulating the original signed memo and the internal screenshots of the AHS Org Chart, still reflecting the hiring of Dr. Deena Hinshaw (still current today).

If the government and media are willing to lie about hiring one person (however controversial), what would they be willing to do to hide the truth about avoidable deaths in the thousands (that continue today)?

All-Cause Deaths rising everywhere.

Third dose vaccinations in those under 12 months. Hiding how many infants have truly been

vaccinated by only reporting by their current age, while not changing the population number.

<https://twitter.com/dksdata/status/1666600949841014787?s=20>

And the continued lies about COVID deaths in Alberta.

Premier Smith et al., your silence is deafening.

Some rules to live by:

Always do the best you can by your family.

Go to work every day.

Always speak your mind.

Never hurt anyone that doesn't deserve it.

And never take anything from the bad guys.
