

Between May 29, 2024 and November 7, 2024 MHRA received an **additional 3,925 COVID vaccine Adverse Event (AE) reports**. However, they also **REMOVED 621,777 Adverse Events** from their total (39,047 AE from the Top 10).

I thought the manipulation of All Cause Mortality was bad. **THIS IS CRIMINAL**

Reported ADR	Number of Yellow Card Reports May 20, 2024	Number of Yellow Card Reports Nov 7, 2024	Difference
Headache	130,910	125,181	- 5,729
